

2024-2025 AP Exam Registration Info

AP Students and Parents/Guardians,

For most students, taking the AP Exams serves as the natural culmination of their AP course experience. Advanced Placement courses are designed to prepare students for a comprehensive College Board exam given in May 2025. If you have colleges in mind, check with their admissions office to learn about their AP exam credit policies.

Signing Up for AP Exams:

All students are required to register through College Board in [MyAP AND Total Registration](#) (2 Step Process).

1. Students will register with College Board in class with their AP teachers.

2. Students will pay for their exams through Total Registration on their own, not in class.

Visit the [DHHS AP Exam Information page](#) for more information.

AP exam ordering takes place in the FALL semester. Cost for 2024-2025: \$105/ exam

Fee Reduction: Students may qualify for a fee reduction based on financial need as demonstrated by:

- Eligibility based on family size & annual family income
- Please see instructions and more information linked [HERE](#).

AP labels will be pre-filled through College Board with the information you provide and confirm. Please make sure your information is accurate in College Board and Total Registration.
