Ned's Notes:

Ned: "I did most of my notes at the senior send off. I am so proud of what we have accomplished and the direction ASU has been going. On Tuesday I will share something with everyone. It's been a good year and the future is going to be better because we are level five leaders and we are not regressing. We have found our "why" and what we do as an ASU. The picture on the wall is distracting. I love how Tommy is the only one wearing a Hawaiian shirt. Props to Rachel and Kiana for Prom. Rachel made close to \$10,000 on prom. Tech will be

happy because maybe they can get lighting and staging. We'll have money for new ping pong tables. I'm thrilled with how the year ended. Thank you and I wish I could do more. Thank you."

Tommy's Talks: (Ft. Elliot Sloan)

Tommy: "I don't have anything prepared I'm just gonna say everything on my mind. Thank you. Last year when I got elected I was overwhelmed with so much stress. I remember that night when me, Julia, and Nick picked cabinet. They interviewed so many people and decided to pick for who we thought would be best at the job. For instance, we had a lot of people interview for Commissioner of Activities and then they picked Kennedy who did not even interview. Thank you for getting me through that time. It was so hard picking cabinet but everyone helped. I can't believe it's over and some of these meeting minutes have been so long. I would like to shout out Mikaela for taking the meeting minutes. I would also like to shout out the people that were present during the meeting and thank you guys for being there. This is more than I could have asked for and I can't wait to see what the seniors do next year and the years to come. I will definitely come back and visit next year."

Elliot: "I'm super proud. It's been three years on cabinet and this is by far the best cabinet. To the seniors, keep seeking greatness and I hope you all are great. Thank you for an awesome year. Good work Ferry."

Cabinet Goodbye's:

Julia: "This year was a lot different than last year. Some of my best friends are Freshman and I am so happy that there is such a mix. A lot of people came from different schools like me and we are able to still come together in the end."

Anna: "This is my first year on cabinet and thanks you all for making my year easier."

Caroline C.: "Sometimes it's weird being an underclassman but thank you for not overshadowing me."

Bella: "I am super thankful to be on cabinet and being on ASU has been the peak of my high school year. It's so cool to see you all as great leaders. You all are going to go off and do great things. Congratulations to you all."

Lauren: "Thank for all being positive and having ASU as a judge free zone. Everyone works together to find a solution and I love that."

Gabe: "Cabinet is great. I can't wait for next year on cabinet."

Kennedy: "I want to thank Ned, everyone here I, and the people downstairs for making the best it can be. The last four years, I have made so many memories and ASU has made my high school unforgettable. Good luck next year!"

Maddie: "Thanks to everyone it has been so fun. It's been real it's been fun."

Tabi: "I am going to keep it short because I am crying. Thank you to everyone."

Tracy: "Thank you for dealing with me for all the rallies, and I would like to personally thank the class presidents for pulling through with volunteers for the rallies. Thanks to Tommy for going to admin to getting the rallies and my silly games approved. Thanks Elliot for being my boyfriend. We have secretly been dating. Just kidding. Also, thanks everyone for being so hype."

Caroline: "Thank you all. ASU has changed me for the better. My freshmen year, I was so terrified to talk in front of people. I would always have Kennedy do my run arounds. Four years later, I have so much confidence. To all the underclassmen, next year do your best and be great. Thank you."

Nick: "Middle school I tried to be in ASU, and I didn't make it. Dana Hills is amazing for how it's shaped. It has shaped me today I don't know where I'd be without ASU. Thank you to Ned and Casey for helping me through my high school, and thank you everyone. Next year, all the returnees need to step up and take action and help."

Matt: "Freshman year OCL Camp, I hated everything about it. Elliot was my room partner, and I was terrified of him. I owe a lot to asu. I was timid freshman year, and now that I am a senior, I am the Dolphin Daddy. ASU benefits everyone. Thank you to Ned and Casey for all the hours they have put in. It is stupid how many hours they work. Thanks to Kennedy and Tracy."

Camden: "Initially, I was never going to join ASU. Thanks to Ned for calling me out of class sophomore year and telling me I was on ASU. ASU has taught me a lot and has helped me discover my passion. I don't think I would be pursuing graphic designing without ASU. Next year, to the returnees take action and take advantages of the opportunities to come. Thank you everyone."

Megan: "It's been an amazing two years so far. It's been a fun year. I can't wait for Max, Ben, and Carson for next year. I love how we were all accepted freshman year and did not feel intimidated."

Max: "To all the seniors, thank you for making me the leader I am today. Thanks for the opportunities. Good job on graduation, congratulations, and good luck."

Val: "Thank you for making my year great."

Nick: "I'm excited for the next three years, and thank you for making it a fun year."

Jill: "I've been on ASU for four years. Every year ASU keep getting better. Elliott told me to be ICC President, and I am so glad that I got that opportunity to be president. Sometimes it's so

much work, but I am so thankful to have the position. I am glad that I got to meet so many people.”

Nate: “Thanks for approving my fundraiser even when you guys have no idea what they are for. Thanks to Bailey and Mikaela for yelling at me whenever I fall behind. I’m excited for next year with Gianna. We will be a power duo. We will miss you Elliot and Tommy.”

Rachel: “This was my first year on cabinet. Everyone is so passionate, loving, and supportive. Good luck seniors.”

Shelby: “This is my fourth year on ASU. My first year I was so scared we all looked so little compared to the seniors. Sophomore year I got more comfortable and same with junior year. Senior year was most challenging, but there were lots of rewards.”

Milad: “I am thankful for ASU bringing me out of comfort zone. You all are amazing leaders. I’m proud of all of you. Good luck.”

Bailey: “Thank you for a good year.”

Kiana: “It has been a really good and fun year. Thank you all for being so helpful and supportive. To all the seniors, you guys will do amazing things.”

Mikaela: “I joined ASU my sophomore year. It’s has been quite the ride. I was one activities my freshmen year and didn’t do much. I’m happy I met you all. I’m gonna miss all of you guys and see you guys soon.”

Tommy: “That was awesome and very moving to everyone that talked. I’m gonna stand to get a view of everyone’s faces. Returners next year don’t take anything for granted. There’s no such thing as being too cool. Go all out at school events. Go all out for school spirit. You will get so much out of this experience. Gianna stand up. We’re doing a symbolic passing on. Last year at the beginning of the year, I would have said Gianna would be perfect for the job next year. She’s the perfect fit. It’s so awesome to think about the amazing things we’ve done this year, but I want Gianna to do better things next year, and the following presidents to be even more amazing. I’m excited for her next year. It’s been real. Thank you guys.”
