# FIGHTING CHILDHOOD CANCER, ONE CUP AT A TIME.

12/12/2018

Dear Sofia,

Thank you for your support of Alex's Lemonade Stand Foundation (ALSF) and for making a profound difference in the lives of children with cancer. Your charitable gift of \$139.00 will help fund important research projects looking for better treatments and cures for all childhood cancers.

Your support is so important for kids like Haven. At only 2 years old, she was diagnosed with neuroblastoma – the same cancer as ALSF founder Alex Scott. Haven's outlook appeared dismal, but five years later, she remains just as fiery and intent on beating this disease!

Her hope remains in the innovative research being developed at institutions across the country. That hope is powered by your support, as childhood cancer receives less than 4% of the federal funding for cancer research.

Recently, an ALSF-funded clinical trial for neuroblastoma opened for enrollment, which could mean a breakthrough for kids like Haven. In total, ALSF has raised more than \$150 million to fund over 800 innovative, promising childhood cancer research projects at more than 135 top hospitals and institutions in the United States and Canada. Every day, ALSF is working to find cures—all because of donors like you.

If you have any questions or would like to learn more about ALSF, please do not hesitate to contact me by phone at (866) 333-1213 or by email at [r.mclaughlin@AlexsLemonade.org](mailto:r.mclaughlin@AlexsLemonade.org). Thank you for joining us in our fight against childhood cancer, one cup at a time.

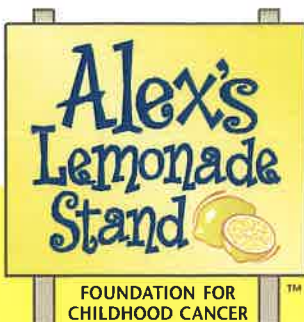

Gratefully yours,

RachelMarie McLaughlin
