### **JT's Junction:**

JT: "We're wrapping up this semester. We only have one more asu period. We have puppy party, improv show, and intramurals. Cate and Brooklyn are running it today. Appreciate all of the work this semester. Douglas do you have any numbers on the light show"

Douglas: "We are going to count it all today. Mesa did you get the numbers from Alex"

Mesa: "No. Shoot that's an issue"

Douglas: "Yes that is an issue. I'll text him right now"

Allie: "Wasn't there clubs that didn't show up to light show?"

Ali: "No we just had two clubs drop out but they told me"

Allie: "Oh got it"

Mesa: "Let's do potluck on our final day. I was thinking Ella and Holland could organize that. I was hoping commissioners and deputies could put together a thank you for your members to feel that connection between everyone. Whether it's their hobbies or something they are doing over break"

JT: "Yes the outreach is the unwritten part of your job that is crucial. I know I appreciated getting to know seniors my freshman year. Reach out to them"

Ali: "Can someone pleaseee submit a weebly for Winter Formal so we can get that out before break?"

JT: "Taylor."

Mesa: "Yes we got approved by the district to go ahead. We can do Winter Formal where people go maskless. The option is to show proof of vaccination or negative covid test when you buy your ticket. The tests are free. The district is helping us with the saliva tests that you guys are

taking for sports. You would pick it up from Linda and submit it back to her within 72 hours.

Taylor did you guys decide on Candyland?"

Taylor: "Well I talked to people and they liked enchanted forest even though you said it was too similar to Prom"

JT: "Ella and I will talk with you Taylor"

Mesa: "I want to start selling the tickets on Monday"

Ella: "For Senate could we just email the teachers and tell their students to come to the meeting"

Mesa: "No you need to be in touch with everyone. Make a remind with all the numbers you have"

Kate: "Are we taking the Steve picture?"

Mesa: "No there's not enough people"

Mesa: "Sports with Loud Crowd. Basketball starts when we get back, but we also have two home game over break. I'll supervise the one on Monday against Laguna Beach. We need to figure out a plan to keep all of the students masked."

JT: "I'll likely be there but I would say I'm going to put it on myself to always be wearing mine over my nose. I don't think there's a lot we can do besides stay nice and encouraging. Because if they say no, I don't have a response for that"

Mesa: "Well admin can remove them"

JT: "We can advertise that masks are needed. For Wednesday Grease, we had a lot of people complaining to our director about masks but we got those signs for people to read"

Mesa: "We have those next to the gym"

Maliana: "I think people are grateful we can have a student section so if we just push that we can be removed as a group and people will listen"

JT: "Yes I agree. I think we just need to keep it positive. Alright sorry if I took to much time. That's it for today"
