Committee Check Ins:

Pep:

Riley: "Winter pep rally is going good. We have our hosts and script"

Intramurals:

Monette: "People should sign up for dodgeball this Wednesday and Thursday at lunch. Let's get posters up so people know where to go"

Loud Crowd:

Lily: "Basketball doesn't start until later this month or next"

JT: "Can you start thinking about themes we are going to do. They can either be repeat or new themes. Oh yeah, Sena wanted us to have a discussion. So with the mask mandate, we need a plan to make sure people actually wear their masks. First of all, anyone in the front leading cheers needs to be wearing masks"

Ella: "We should make handheld posters saying 'Mask up'"

JT: "Yes good idea. We really need to be serious about this because they are threatening to just shut down the student section in all"

Aakrsh: "We should just do a one strike you're out. For the first two weeks, if you aren't wearing it then you're gone"

JT: "Sure. I'll definitely be down in the front trying to monitor it. But I'm nervous and we will definitely be shut down"

KHK:

Douglas: "I think we are going to be doing a toy drive in December. We were also thinking about the Ocean Institute field trip. But, since it's so far away it probably won't happen"

ICC:

Aakrsh: "We have to approve themes for clubs for light show. I'm going to share their plan, and at the end if there's any questionable themes we can talk about it"

Lists the clubs and their corresponding themes

JT: "I don't see any problem with them playing a movie against their car. We can even put them in the back so it doesn't disrupt them. Let's approve the themes"

It was moved by Regan Zaherak and second by Lily Freeman to approve the Light Parade themes:

Aakrsh: "We also have two service drives we need to approve. One club wants to collect baked goods to later run a baked goods drive at Salt Creek on December 21st"

Pierce: "Anything that happens on County property, we need approval. We can't just permit them to sell food anywhere. So let's deny that for now and we can ask Mesa"

Aakrsh: "Ok. And another club wants to collect canned food and non-perishable goods the 1st week we get back from Thanksgiving break"

Pierce: "Don't we already do a canned food drive"

Douglas: "I know KHK might have one and that might even be organized by an outside food bank. Mesa was talking about doing ours after the holidays to get a better turn out"

JT: "Ok so we vote yes to the food drive and no to the baked goods sale"

It was moved by Regan Zaherak and second by Allie Weinert to approve the service projects:
