P.O. Discussion

Nick: "What are the tie-dye rubber band stuff for and the banners?"

Mesa: "It's one banner that I am ordering for ASU to use it for ceremonies. Any kind of ceremonies and even dances. Then, the rubber bands are for activities for Earth Day. We're going to do a bring your own shirt and do tie-dying outside for Earth Day."

Aedan's Analog:

Aedan: "

Mesa's Message:

Mesa: "I will check in with science, and for admin/staff just scratch us. For the graphic about where seniors are going, maybe you can make a google form. We will discuss the clash dress up days when we circle around to activities. Our ticket sale goal for prom is 400 tickets. For posters later today, it's just for thirty minutes and the people coming don't need to be in ASU. Lastly, for interviews those are happening Wednesday."

Committee Check Ins:

Vice President:

Wyatt: "We're going to move our meeting to Wednesday because there's a lot of people absent today. I will send JT and Maddie the link for when we do that to present the new committee to vote on it."

Aedan: "Sounds good."

Wyatt: "Also one thing that isn't Senate related, there is this thing called dance pods where it's a socially distanced dance thing. They have a website, and they bring little boxes and headphones. I will do some more research, and give you more information."

Senior Director of Recognition:

Jack: "For fine arts, Ella was going to reach out to SOSCA because the play happened to see what they're doing now. For teacher recognitions we're just doing the teacher post. Then for students they're helping with clash, and athletics are helping Paula."

Senior Director of Activities:

Ali: "As of this week I know Kaci has been working really hard on the pep rally. As far as Owen and Paula, I don't know. I do know that Val has all the dress up days, and Lila will be making graphics."

Val: "Yeah I have the dress up days. Also for the invitations the lady I reached out to is really busy because of graduation so I should have ordered them earlier. But, we can do it through Etsy."

Senior Director of Communications:

JT: "Lila is on graphics, and I think we're doing graphics for clash week. For posters we have a poster even today. For tech we have the clash videos that I believe are coming along well."

KHK:

Joseph: "Banner sales, now that most seniors know where they're going, we're going to ramp that up. Then we're going to have a meeting later in the week to see where we want to go in the last seven weeks."

Pep:

Kaci: "Mesa, did you get a chance to send out an email and ask if we can show the clash videos on Friday?"

Mesa: "I didn't get a chance but we have a meeting Wednesday so I will let you know by like 3:30pm."

Graphics:

Mesa: "I think you have rights in the remind, so if you make a graphic you can put it in the remind."

Lila: "Ok cool. I tried doing it before, but it said I didn't have rights, but I'm going to try to do it again."

Kate: "Lila can u send the covid disclaimer one out too."

Lila: "Yeah."

ICC:

Aakrsh: "We have an ICC meeting at lunch to talk about culture faire. Another thing, if anyone is asking you about how to start a club right now, clubs start at the beginning of the year."
