Aedan's Analog:

Aedan: "For those of you who are looking to interview for a position, think about your contributions and be honest with yourself. You never know what position you'll get into. Don't be surprised at someone getting a job that you wanted, and you getting a job you didn't interview for. I want you all to all be cognizant of all the positions open. With that, I'm sure everyone in here who will be interviewing is a great candidate for anything they're going for. No goal is too high, no goal is too attainable. Moving onto clash week, I see a lot of people filming. I just want to check in with all the class officers to see what's going on with that."

Mesa's Message:

Mesa: "Please don't be at an athletic event. For tech, on Friday we need to set up music for the teacher luncheon."

Committee Check Ins:

Vice President:

Wyatt: "We have a Senate meeting today and I sent out a group email to all participants that we're making cuts to those not showing up to the meetings. Hopefully things switch around for this meeting, but i'll keep you all updated."

Senior Director of Recognition:

Jack: "For fine arts, the play Little Women is coming out next week on April 1st. Ella was saying that one of the people in drama is going to give her clips of the production by Sunday and she's going to try and get that together. Besides that, we're working on getting more student athletes. And then we're working on getting quotes for teacher of the week."

Senior Director of Activities:

Ali: "This week we're basically having a dress up day week. Everyday is a different color. Owen has been working on his intramural sports this week. Kaci said everyone in pep is working on getting hosts."

Senior Director of Communications:

JT: "For communications we don't have much. Just reach out to us for clash filming. Something more I want to talk about is that it's important to me for interviews for people to actually understand what they're running for. I would like everyone in this meeting to be hosting a meet the pros style google meet where you explain what your job is. We would do multiple times on Wednesday where you can visit multiple meets."

KHK:

Joseph: "We had painting last Saturday and we will be having it again this Saturday. Also tutoring is starting this Thursday. Avery and I are reaching out to a local car show to see if we can do it through them."

Mesa: "How many students come to the painting?"

Joseph: "On Saturday it was 7pm."

Mesa: "Who was supervising?"

Joseph: "I was."

Class Presidents:

Kate (Juniors): "We're presenting a theme to Senate, and as we said before is coming up with a name that doesn't promote prom, but still gets people to want to go. What we're going to call it is "Senior Send-Off Prom" and I know it still has the word prom in it, so Mesa we can change it."

Mesa: "You can call it that, but we need to make it very clear that it's not a dance."

Kate: "Ok, maybe we'll just see what the reaction is. And the theme we're presenting is "Garden of Memories."

Hailey: "I love that theme, also I think we should keep the word prom in it because we only go to prom once. "

Kate: "Yeah definitely. And we're working on our prom promo video. We usually announce the theme at the clash rally, but we wanted to do the reveal April 2nd."

Adjournment: Motion to adjourn the meeting by JT Williams and second by Jack Reid.
