P.O. Discussion

Nick: "The reason Paula couldn't get those lollipops is because she has no money in her budget."

Aedan's Analog:

Aedan: "Jack created a canvas class for recognition that's really useful. Ali and Jt make your own canvas class and invite them to that class. It helps me, Mesa, and Carrie understand what's happening in ASU."

Mesa's Message:

Mesa: "So for the weekly messages, Aedan you just need to put your message and say your well wishes for the week. And then the rest we need all the senior directors and commissioners and everyone to submit all their information so we can fill this thing out."

Jacqueline: "

Committee Check Ins:

Vice President:

Mesa: "Do you guys know how to embed the link to the google form for senate on the graphic?"

Wyatt: "On canvas?"

Mesa: "If you're going to put it out you need the link."

Wyatt: "People have been having trouble with the link so I've just been having people text me and give it to them."

Mesa: "If I were you, maybe highlight and embed the link where it says google form or go to your canvas announcements and put the google form. If you put that info, embed the link or you can say click on the link for the google forms."

Mesa: "Wyatt you have access to the remind and Lila you aren't on it."

Lila: "I thought I sent it yesterday."

Mesa: "Ok cool I see you. Now that you have access to the remind send out the graphics so it reaches everyone."

Aedan: "I don't have access to the remind actually. I tried to send out a message but it said that I had to send it to every student individually."

Wyatt: "Yeah mine is like that too."

Mesa: "Jack you haven't had an issue right?"

Jack: "No it works for me."

Mesa: "Ok well Aedan and Wyatt I gave you access but I'll check after cabinet."

Senior Director of Recognition:

Jack: "Basically for teacher recognitions we're doing a door decorating contest for the teachers.

Ashley just typed up an email to be sent out to all the teachers Monday. There are people cutting out orange and purple paper to be given to the teachers by Thursday and have a decision Friday. Also it's Red Ribbon Week next week. It'll be wear red day on Tuesday, monochrome on Wednesday, DIY dress up day Thursday and Friday."

Mesa: "I think you should have Dr. Baker judge."

Senior Director of Activities:

Ali: "So I talked to Mesa and she gave me the idea and I think it's gonna work out very well. It's during 4th period and what we're gonna do is have a mini parade and have all the student government kids spaced out and cheering on. I will ask Dr. Baker to be a judge and the winner can get some merch."

Aedan: "Keep Kanoa and JT posted because we'll probably want music for that."

KHK:

Joseph: "So today I had everyone who's at school apply for different government grants. We want to make ours in accordance with theirs. Mesa said we're gonna start tutoring at the homework center as well."

Aedan: "How does that work with the grants?"

Joseph: "As a 501c3 we have permission to apply for certain grants."

Loud Crowd:

Paula: "So we are in the middle of the lollipop thing and they're in the back of my car, but we'll get a list of people who participated and hand them out at lunch next week."

Intramurals:

Owen: "So we are advertising sign ups for 8-ball against San Clemente today so Addie is gonna be doing it with me. I don't know if we'll be doing multiple winners or just one, it depends on how many people sign up."

Mesa: "There's a poster in the production that the beginning leadership students made for sign ups that you can take to the table and there's a clip board with sign up sheets."

Pep:

Kaci: "So we had our first blue round and we definitely got a good 3 rounds of among us so that's happening again today. Jolie will be running that, so hopefully that'll go well. I was hoping to get the clips today and send that to Kanoa to make a montage."

Kanoa: "I'll maybe give it to the beginning leadership."

Mesa: "What about Kate Hayes?"

Kanoa: "Absolutely."

Activities:

Val: "For Halloween we want to do a costume contest for the STEPS kids kinda like a parade style. We want to have them walk the school and cheer them on."

Technology:

Kanoa: "So as far as tech goes we're doing the after school events with freshmen. I'm also here representing Caydence because posters are making posters. For the Dose of Dana's we're getting the younger kids involved."

Graphics:

Lila: "So everything else is the same, but recently my committee hasn't been responding to me at all and I don't know what to do. All of my committee is in beginning."

Mesa: "I thought Grant was in it?"

Lila: "Not really."

Mesa: "Ok he needs to help out or he'll be removed. As far as the beginning leadership, let me know who they are."
