Mesa's Message:

Mesa: "So I have been working a lot with the beginning kids. A lot of them are really good at things like graphics. For those of you in tives, they really want to get clash going. Before we come back to school in October, maybe you guys can work with them on dress up days. Cael Vincent will be in charge of the points so Lila if you can work with him. They've also created an email where kids can upload a picture of them if they don't have instagram. They're creating graphics right now with the email address they've started so I will be posting that on the website. The students in communications, they want to get something going like the daily dish again. I strongly encourage you guys to do that. They want to bring that back and promote so maybe Paula and Kanoa and the rest of communications can help out with it. The recognitions group is doing really good. They have a lot of activities they're planning to recognize students. They started this last week and this week they're going to be working on approval. Those of you overseeing those divisions make yourselves available. KHK is going to be doing daily/weekly challenges. I am more than willing to gather Dana swag that they can distribute and pass out to leaders. Grace, Chloe, Andrew, and Noah are all in beginning leadership. I'm doing this because they can't be here with us. I have freshmen elections finalizing tomorrow so we will know who they're going to be. When you come back most of you know you'll be split up so as the leaders, make sure everyone underneath you will be working and planning. We'll have 40 students on Tuesday and Wednesday. As we move forward with more directions from the district, I don't think we're going to be having a break. I'm not sure what lunch is going to be looking like. Ms. Pierce and I are confident you guys will be setting the example to follow the rules, wear their mask, and go the right way through the halls. As we get further guidance my plan is to have communications work on a typical day at Dana video."

Joseph: "What are the challenges?"

Mesa: "You have to get in touch with them and we really need to get rid of all that stuff upstairs. Make sure you reach out."

Kanoa: "Is it possible to send a list of interested kids that want to be involved in the Dana Dish?"

Mesa: "Yes"

Committee Check Ins:

Senior Director of Recognition:

Jack: "We have the exact same stuff that we've been doing like communications and tivs. I want my commissioners to talk though"

Senior Director of Activities:

Ali: "My plan for this week is I'm going to meet with my committee and we're gonna talk about family Friday. I've had a lot of kids reach out to me on themes for family Friday which is really

cool. One thing I encourage anyone to do this week is think of any social distancing ideas. So next time we meet we're going to discuss the ideas and then share those to ASU. I don't need help from any of the divisions right now but if I need anything I'll reach out. After our next meeting I'll reach out to them."

Senior Director of Communications:

JT: "We haven't done anything new, but we just kept doing more of the same with graphics and Caydence and her poster people are helping her with that. We've also been creating more promo videos. I also want to say I really appreciate how Lila and Caydence have been reaching out to the new kids."

Student Relations:

Milaina: "For Hispanic Heritage month, I don't know what to do with that."

Mesa: "Last year Ella did a slideshow. Maybe you can talk about authors and just anything that has to do with curriculum. Just people in the community who have led something. You can recognize Mario Lopez because he won a reward for his community service and involvement for the Boys and Girls Club. Look for philanthropic work."

Aedan: "With Mario Lopez, he has been posted everywhere. Maybe reach out because people don't know exactly what he won."

Mesa: "I think it'd be really cool if we recognize students on campus. I know we all know famous artists, but I think it'd be cool if we associate with people at Dana."

KHK:

Joseph: "We're ready to reach out to businesses and in the breakout room we're doing that now. We're also working on t-shirts to sell to ASU. For the email list we only got 50 people, we need more people in the beginning and advanced class. That's the plan for this week. Once we hear back from businesses we'll move on with the raffle."

Milaina: "My committee can't find the form."

Mesa: "There's a link for it under announcements."

Loud Crowd:

Paula: "I've been thinking about the Dana Dish."

Mesa: "Yes i've been thinking about that. I'll get to it."

Intramurals:

Owen: "Maybe we can do a fun fact regarding Spanish heritage in the morning announcements?"

Technology:

Kanoa: "One of the Freshmen reached out to me to get more involved with the filming side."

Mesa: "Was that Merrick?"

Kanoa: "Yes!"

ICC:

James: "We only have one club that has turned in their applications. I also want to get some new clubs so ask the Freshmen and Sophomores."

Mesa: "As far as the clubs go, do you know if clubs can be sponsored by outside organizations?"

James: "They can because UCI sponsors the DIRHA club."
