

## **Spirit and Social Activities**

Evidence of an activity designed to engage new students and welcome them to the student body:

New Student Orientation is held in early August for all incoming freshman and new students to get a tour around the school and to meet new people. It is a way for them to become familiar with the school and comfortable with finding their way around with confidence. New Student Orientation 2018 was held on Wednesday, August 14, 2018 from 9:00 a.m. to 11:30 a.m. First, we started with a rally, introduction, and games. Then, we split up the students into 15 groups, 33 per group, with two or more ASU members as tour leaders. There was also multiple stations where games were played and students talked to staff and teachers. When the tour finished, there was food, drinks, and time for freshman and new students to ask any questions, listen to music, and hangout. This event implemented a sense of community that is necessary for any class of individuals. It helped make everyone feel welcomed by grouping them with people they may not know already. As we approach the school year, it was essential for them to know the basic layout of Dana Hills. With a tour by our trusted ASU members, the new students fully grasped what principles we all share. With the rally/introduction when they entered to the end with hot dogs and snacks, they felt pumped and ready for the school year to start. Attached is the purchase order (#19595) passed at our Cabinet Meeting on June 8, 2018 for New Student Orientation 2018 as evidence.
