

Other Leadership Training

Evidence of council members sharing their leadership skills by leading a training session or activity with younger students from a feeder school

On April 18, 2018, Niguel Hills Middle School's ASB Student Government came to Dana Hills to shadow our ASU. The middle schoolers were able to see what student government is like in high school. We were able to teach them about planning events and all the tech equipment that we use. Attached is a letter from Ella Meissner, thanking Gianna Maritetti, for letting her shadow her and for such an insightful day.

Dear Gianna,

I had such a fun time at Dana today! shadowing you was such an awesome experience and it made me even more excited for ASU next year. I loved cutting out stars and sticking them to the dancers. It was very exciting meeting and interacting with older students. I know you're going to be an amazing president and I so happy I get to spend my first year at Dana following in your footsteps.

Love,
Ella Meissner
