

Student Voice

Evidence of at-large student participation on student council committees:

The Dana Hills Student Senate is composed of multiple committees where student members are able to participate and voice their opinions. Below is a list of committees with the list of students on that committee for 2019.

- The week leading to winter formal we'll have a slow reveal of the Winter Formal Theme. A poster with the theme will be revealed at lunch for the students to come see and get excited about

Recognition Committee:

The Recognition Committee meets to develop new ways in which the student body and school at large can recognize individuals, sports teams, academic organizations, teachers who go above and beyond, etc. As of now, the school's main methods of recognition are student luncheons, teacher luncheons, and fine arts recognition. This committee will build upon these ideas with new contributions to honor more deserving students and by giving feedback to ASU.
