

Elections:

Use of voting machines or online voting for school elections:

Students sign in onto <https://danahills.voting4schools.com> using their 7-digit Student ID and their birthdate. We use this website for court voting for dances (Homecoming, Winter Formal, Prom) and for elections.

The screenshot shows a web browser window with the address bar displaying "danahills.voting4schools.com". The page header features a green banner with the text "Dana Hills High School". Below the banner is a large logo of a blue dolphin leaping over the Greek letters "ΨH". The login form consists of two input fields: "Enter Your Student ID" (with a person icon) and "Enter Your Birthday" (with a lock icon). A blue "Login" button is positioned below these fields. A text box below the button provides instructions: "Use your 7 digit Student ID (do not add the letter 'a' at the end) as your user name and birth date as your password. Birth date is formatted m/d/yyyy (example 2/5/1997)". A green "Admin Login" link is located at the bottom of the text box. The footer of the page contains the text: "© Copyright 2019 All Rights Reserved Software 4 Schools Privacy Policy".
