

## Spirit and Social Activities

Examples of two spirit or social activities are Homecoming and Clash of Classes:

Homecoming is one of the biggest events at Dana. It all starts with the Homecoming game the night before with a huge performance put on by each grade in correspondence to the Homecoming theme. That is where we announce the king and queen and recognize the royal court. The night after is the extraordinary dance ASU puts on in the gym.

Pictures:

Clash of classes is a year round competition between all four grades competing for the most points by the end of the year. Points are obtained by attending events, sports games, participating in dress up days, and playing games during lunch. In April we host a big rally to announce the winner and bring all the grades together in high spirit. Pictures below are from our clash of the classes pep rally with students from the different grades cheering and playing games.
