

10/2/17

Topic: Class Social

Meeting starts: 12:27

Carson- spikeball sign-ups start today at lunch so I can give you a sign-up sheet if anyone wants to sign up right now

Megan- Let's start with the class social. It is on October 24th, which is a Tuesday. I wanted to do tarp surfing but it was a liability. I was thinking that we could tie-dye our class homecoming shirts yellow. I would sell out left over shirts for 3-5 dollars.

Clayton- Could we watch a movie?

Kelly- We could bring yellow foods.

Izzy- Mentioned a potluck idea

Clayton- We could watch a movie as well as have different people bring yellow goods. It could be a Halloween movie since it's close to Halloween

Danny- We could do a trick-or-treating event where everyone brings candy

Megan- This is a social we are trying to plan. We are thinking about tie-dyeing our class shirts yellow (informing students who came in late)

Aidan Rice- We could have me or Danny face paint at the social

Megan: Any other ideas? By the way, we have a class meeting every first Monday of every month. This is our first class meeting.

Kira- We could maybe come in PJs, but since it might not be okay with Admin, we could have a dress code.

Megan: We are going to end this meeting soon, so are there any other ideas? Also make sure to write your name down for role.

Danny- Who is our class advisor?

Megan- Brucks and Johnson

Megan- The meeting is adjourned at 12:37
